

Minutes – Meeting of 3 December, 2012

Call to Order 7:00pm

Present: Harris, Hickman and Gorman

Minutes of 25 October, 2012 and 30 October, 2012 were approved by consensus.

President's Report: Hickman reported that MCYV should get response from the IRS concerning our request for 501(c)(3) status by mid January, 2013.

Old Business: Mini-Volleyball has not been well attended. However, the children that have attended have been enthusiastic, one child even made up a game she called "Gotcha". MCYV is waiting for the IRS to determine if we have 501(c)(3) status before going to the local schools to talk to the principals about our mini-volleyball and junior programs.

MCYV and MCVG will be collecting signatures in support of building sand courts in the lot adjacent to Armstrong's Supply Co that is bounded by Toulouse St, Jefferson Davis Pkwy and Orleans Ave.

Several parents tried to join USA Volleyball but did not find a link on the MCYV web site. Said link will be added as soon as possible. MCYV will re-stress our desire for children to be USA Volleyball members.

Board member Harris passed the USA Volleyball Beach IMPACT test and is now certified. Congratulations Mr. Harris. Other volleyball players who passed include Jason Daming, Chris Calitri, Joey Scavo and former college player Aneta Pietrucha. MCYV looks forward to additional input in our program from these well-qualified individuals.

MCVG will be holding a tri net tournament. This tournament will be held in front of the New Orleans Museum of Art to coincide with City Park's annual Christmas fun run. Youth clinics will be held prior to the tournament. The web site will be updated accordingly.

Meeting adjourned 7:30 pm
